Topic: Price Increase Notice (Starts from January 1st, 2024)

To valued students,

Thank you to all my loyal students for your unwavering support over the 2 years since I started teaching Japanese online through italki and en-nihongo.com .

Beginning on **January 1st, 2024** the price of lessons will **increase by \$2 for each lesson**. New bookings from that day forward will reflect the new pricing. And please note prices between italki and en-nihongo.com may differ.

Any order placed before the end of December 2023 will be booked at the current pricing.

I appreciate your understanding and support. If you have any questions or feedback, please do not hesitate to contact me at any time.

Examples of New Prices :

Lesson Name	Price (2023)	Price (2024-)
J-ZERO (JLPT N5) - 60 minutes	\$14	\$16
Beginner Lesson - 60 minutes	\$16	\$18
Free Talk - 会話の練習 - 30 minutes	\$11	\$13

Plus, please be advised that the name of the lesson has been changed from "Intro to Japanese (A1)" to "J-ZERO (JLPT N5)."

This change only affects the name and does not in anyway affect the curriculum of the lesson.

Very Respectfully,
Emi from **en nihongo**
