Topic: Price Increase Notice (Starts from January 1st, 2025)

To valued students,

Thank you to all my loyal students for your unwavering support over the past 3 years since I started teaching Japanese online through italki and en-nihongo.com.

In order to keep up with rising business costs and to continue providing you with the best possible services, the price will **increase for each lesson** beginning on **January 1st, 2025**. New bookings from that day forward will reflect the new pricing. And please note prices between italki (a language platform) and en-nihongo.com (the official website) may differ.

The 5 lesson bundle will be **10% off on italki**, and **20% off on en-nihongo.com**.

***Single lesson prices not subjected to discount *en-nihongo.com offers the lowest single lesson prices**

Any order placed before the end of December 2024 will be booked at the current pricing.

I appreciate your understanding and support. If you have any questions or feedback, please do not hesitate to contact me at any time.
